

FOURTEENTH ANNUAL

Fashion. Fling

Empowering Women OF ALL ABILITIES

We are pleased to host the Kinexion Fashion Fling to pay special tribute to empowering women and girls who live with disabilities.

Kinexion is the largest network organization on Long Island that supports people who live with disabilities.

The newly established network positions seven well-respected non-profit agencies to lead the way in providing lifetime support for people who live with disabilities.

Within our Kinexion network, we empower and encourage women and girls who live with disabilities to live their best life.

We will share some stories about women and their strength, courage, and determination and how they live a fulfilled and enriched life.

We sincerely thank you for your generosity and support, and please know that your donation will directly enhance the over-all well-being of all the women who are a part of Kinexion so that they can live their best life.
