GIVE & GO Food Drive

784 Harrison Ave., Riverhead

weekdays between 8:30 a.m. & 3:30 p.m

Give & Go: A shared space where ANYONE can quietly give or receive food as needed.

No sign-ups, no questions, just kindness. As many in our community face challenges accessing food due to changes in benefit programs, EEDA is stepping up to help ensure the shelves stay full for the people we support and our neighbors in need. Inspired by our values, EEDA's Give & Go station is open to all—because caring is part of *the EEDA way*. Two additional drop-off only sites are available as well. We accept donations of non-perishable food in jars, cans, and sealed packets. We are also accepting donations of whole turkeys or ham.
