

# VIRTUAL SOCIALIZATION

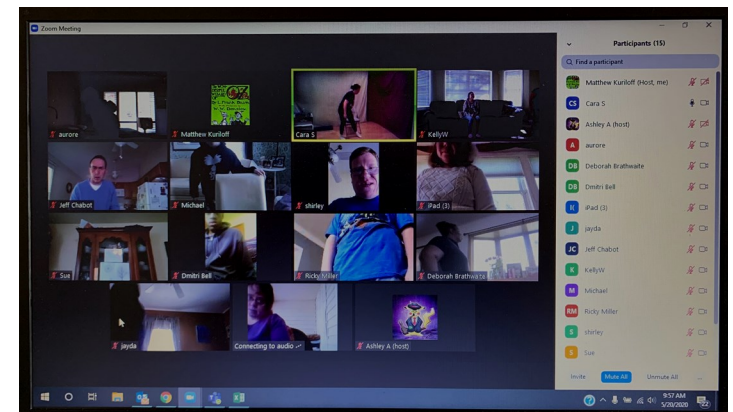

**STAY CONNECTED!**

**EEDA's Virtual Socialization uses the free Zoom.com platform to offer individuals a meaningful, engaging and entertaining time together online!**

**Sessions will be offered Tuesday through Friday at 3:30pm & 5pm, as well as Saturdays at 10am. Offerings include life skills, creative arts, online games and more. We have designed all activities to be 100% inclusive and interactive; we always ensure that all participants can get involved!**

**Virtual Socialization is supported through Site Based Respite enrollment. We welcome you to give Virtual Socialization a trial run first; if Site Based Respite is not in the Life Plan, please work with your Care Manager to make a commitment.**

**Works on  
smartphones,  
tablets & computers!**
